- VESA 75 Norm

This mounting unit which follows the VESA-75-standard will give your display a fixed stand. The unit allows stepless adjusting on the horizontal and vertical axis. The bottom can be sticked or hung-in.

The unit is compatible with all TFT-displays with 75mm-VESA-mounting holes.
eg.: CTF700, CTF800, CTF840(-A), CTF845(-A), CTF1020
