If you choose this option, you will receive a complete assembled system, which is ready-to-run. (It is clear, that this system is only assembled to the highest possible level, dependend on your ordered items)

Example :

You order : - 1x Travla C134 Case

- 1x Mainboard Via M10000

- 1x RAM 256 MB UltraLowProfile

(minimum requirements)

- 1x HDD 2,5" 20 GB

- 1x DVD Slimsize

Then you will receive a complete built system. Since you did not have ordered an operating system, you just need to start the computer at home and install one.

If you order Windows, then we also will install the operating system and drivers.
